SIR,

In forwarding herewith a copy of letter No. 1164 dated the 22nd April 1913 from the District Sanitary Officer, Kadur District, I have the honor to recommend that sanction of Government may be obtained to the payment of cart-hire, for conveyance of office things, at one rupee per diem irrespective of distances travelled. The arrangement is often cheaper than that of payment for the actual number of miles travelled and does away with the necessity of having to put off journeys, - sometimes of an emergent nature, - owing to the difficulty of procuring carts.

2. I also enclose a copy of letter No. 3134 dated the 14th Ultimo from the Deputy Commissioner, Kadur District for the information of Government.

3. The system of payment recommended is, of course alternative and will be resorted to only when on account of difficulty of procuring carts or for any other reason

Letter No. 1164 dated the 23rd April 1913 from the District Sanitary Officer, Kadur District to the Sany. Commissioner in Mysore.

In continuation of my No. 1006 dated the 28th March 1913, I have the honor to request that the sanction of ~~Gov~~ Government may be obtained towards the engagement of carts for the transport of office, at Re. 1/- a day irrespective of distance travelled, as is allowed to all other District Officers - as already submitted, the arrangement frequently is cheaper than payment of mileage, while the great inconvenience of procuring a cart in the malnad or in obscure villages when encamping may be necessary would certainly be avoided.

Letter No. 3134 dated the 16th May 1913 from the Deputy Commissioner, Kadur District to the Sany. Comr.

In reply to the enquiry contained in your letter No. 4479 of the 10th Instant, I have the honor to state that the rates of cart-hire paid by officers on Jamabundy or other duty are either a uniform rate of two annas per mile or a daily rate of one rupee whichever is advantageously claimed by the cartman. No distinction is made for journeys in malnad or semimalnad tracts in the case of touring officers; but in the case of conveyance of Treasure - owing probably to the weight - a rate of 2½ annas per mile in the malnad and 2 annas in the maidan is allowed.
